

PROFESSIONAL CORROSION PROTECTION SERVICE

ONSITE CORROSION PROTECTION AND CORRECTION FOR BOATS AND MARINAS TO PROVIDE PROTECTION FROM THE HARMFUL AND EXPENSIVE EFFECTS OF SALT EXPOSURE. SALTS GONE™ IS SCIENTIFICALLY PROVEN TO BE EFFECTIVE AT ELIMINATING 100% OF THE SALT THAT LEADS TO RUST AND LEAVES BEHIND LASTING CORROSION PROTECTION. SAFE ON WAX AND CERAMIC COATINGS. PH NEUTRAL, NON-TOXIC, BIODEGRADABLE AND NON- HAZARDOUS.

WHY CHOOSE US

- Salts Gone™ is proven to eliminate 100% of all forms of salt and protect against corrosion
- Extend engine life with regular engine flushes. Keeps fabrics, electronics, wax and ceramic coatings looking new with regular service.
- We go where the work is! We provide a quick and professional service that is non obtrusive and fast.
- Salts Gone is safe for the entirety of your boat, trailer, truck, boat slip, fishing gear, etc.
- Enjoy more time on the water and leave the salty clean up to us!

HOW IT WORKS

- Salts Gone™ attracts and removes salt through a chemical process.
- Our application of Salt's Gone will leave behind corrosion inhibitors that prevent corrosion from salt between services.
- Salts Gone™ contains surfactants (soaps) that aid in the general cleaning of your boat and vehicle.
- Salts Gone™ Services performs the service to your boat at your dock, at the boat ramp or on the trailer at your residence. We aim to make it convenient!
